

# Lillypilly 2002 Noble Sauvignon Blanc

---

**Region:** Leeton, Riverina, Australia

**Variety:** 100% Sauvignon Blanc

**Alcohol:** 12.5%

**Bottle size:** 375ml

**Vintage comments:**

One of the coolest years in the history of our winery. Great varietal flavour and wonderful balance. The season was relatively dry but at the end of the season we had just enough moisture to encourage the onset of Botrytis.
