

Lillypilly 2004 Gypsy Rose®

A medium-dry, soft red made from a range of grape varieties. Light red colour; aromas of flowers and freshly picked berries; generous palate flavours, well balanced and refreshing.

"It's a refreshing drink with a myriad of berry fruit flavours and a lovely soft finish. Serve it chilled with Asian dishes." **Kerry Skinner, Illawarra Mercury (Wollongong) January 25, 2006**

Blood red in colour, it emits a confectionary character to the nose enticing you to it. Projecting just the right level of sweet berry fruit – luscious, succulent yet well balanced with the right acidity. The wine works remarkably well with Indian cuisine such as tandoori chicken tikka. **Paul Ippolito, Gold Coast Coast Seniors Newspaper (Southport) April 2006**

A fresh, lighter, quite sweet style that is ideal for end-of-summer quaffing when served chilled. **Winsor Dobbin, Ciao! (Sydney) March 2006**

It's a fresh, lighter-style red, a beautiful summer wine if you chill it. Team it with bruschetta, antipasti or perhaps a good tuna steak. **Ann Rickard, Noosa Magazine (Noosa) January 20, 2006**

Highly commended - 2006 Sydney International Wine Competition
