

Lillypilly Noble Blend

Region: Leeton, Australia

Alcohol : 11.0%

Bottle size: 375ml

Wine Style: Sweet White Wine

Variety: 35% Semillon,
30% Riesling,
25% Sauvignon Blanc &
10% Chardonnay

Vintage: 2006

Notes: Even at 10 per cent, chardonnay definitely builds complexity in the wine, adding stonefruit characters to the bouquet and an extra dimension to palate texture. The aromatic varieties give a real lift to the bouquet, and there is plenty of zestiness and freshness on the palate.

"It is one stunningly aromatic dessert wine. Tropical fruits abound - glorious fresh and vital passionfruit, lychees, pineapple and a feast of others. Just beautifully put together. A lighter style with lively acidity well supporting the fruit characters. No cloyingness, sweet yes but balanced and seamless in delivery. And ever so moreish. Try this with a fruit and custard tart."

95/100 - Superb
